## ROTTEN GEORGIA.

Democrats Endeavor to Sical a District  
and Overdo It.

ATLANTA, Ga., Nov. 8.—The new Re-  
publican congress will be called upon to  
unseat John W. Maddox of the Seventh,  
and J. C. C. Black of the Tenth. In the  
Seventh district the Populist candidate,  
Felton, has the registry sheets showing  
that many voters were scratched off by the  
Democratic managers. He claims to have  
enough to change the result. A bad break  
was made in the Tenth district today,  
where Richmond county, after having  
reported a vote of nearly 18,000, finding  
that that much was not needed, reduced  
it to 11,000. As a consequence, Mr. Wat-  
son will ask the Republican congress to  
give him Mr. Black's seat. It is freely  
rumored that Mr. Black, being a purist  
in politics, will decline to accept the  
election under the circumstances.

The Evening Commercial, a staunch  
Democratic paper, says of the state of  
Richmond county, where nearly 18,000  
votes were polled in a total population of  
40,000, was one of the most flagrant  
wrong against the rights of free men  
that was ever committed in Georgia. It  
was a damnable steal, for which  
there was neither palliation nor  
justification. Every sense of justice  
and honesty cries out against the outrage,  
and if Congressmen, who have gained  
some reputation on account of his  
advocacy of Arcadian methods, does not  
repudiate it and call for a purging of  
the ballot in defense of an incorruptible  
election he will become a willing party  
to a system of political corruption that  
will eventually corrode the very founda-  
tion of civil government. If the purging  
of the ballot can not be had, then, in the  
interest of common honesty, Mr. Black  
should spurn to accept the commission  
tendered in such a way. Every honest  
man in Georgia knows that Richmond  
county cannot poll the vote that was  
counted by her managers.

## CAN'T GET THEIR MONEY.

Senator Sterne and Others Appear to  
Have Been "Done."

The members of the Republican state  
central committee, Messrs. J. M. Simp-  
son, W. E. Sterne and Cy Leland who  
sent \$4,000 to Smith county to bet on the  
election of Major Morrill, are having  
trouble about the collection of their win-  
nings.

Last night Captain J. S. McDowell, of  
Smith Center, brought the news that J.  
D. Morrison, the Populist betting man-  
ager, had withdrawn his money from the  
First National bank, where the stakes  
were placed.

The Republican managers at once  
wired the bank to know about it and de-  
manded that their bet be paid. The  
cashier of the bank then informed them  
that the Populist money had been with-  
drawn.

There has been considerable tele-  
graphic all day between the state and  
Smith Center, and the Populists contend  
that they took their money down Tues-  
day night before the result was known.

Dr. H. A. Dykes, who assisted in ar-  
ranging the Smith county bet, has paid  
all his individual bets and says neither  
he nor his brother John had any interest  
in the Morrison bet. Dr. Dykes this  
morning sent a telegram to Morrison ad-  
vising him to pay over the money unless  
he took down his bet before the polls  
closed.

## NO CHINESE SANCTION.

Man Who Tried to Blow Up Japanese Navy  
Was Without Chinese Authority.

WASHINGTON, Nov. 8.—Officers of  
the Chinese legation say that Mr. Moore,  
who was formerly an interpreter of the  
legation and was recently arrested with  
others in Japan on the charge of con-  
spiracy to blow up the Japanese navy by  
torpedoes, has not been acting under au-  
thority of the Chinese government or of  
the Chinese minister here. The Chinese  
minister is alive to the serious position  
Moore is in—a prisoner of war subject  
to the treatment accorded military sus-  
pects.

It is expected that the United States  
consul at Yokohama will report to the  
state department on the arrests, after  
which the Chinese minister may take  
some action in behalf of his former at-  
taché.

At the Japanese legation it is said that  
Moore is in no danger of being shot, be-  
heeded or receiving other summary pun-  
ishment. They are not accused of being  
spies and are therefore not subject to  
death sentence. It is believed at the  
legation that the prisoners will be re-  
leased after their purpose of destroying  
the Japanese navy within eight weeks  
has been effectually disposed of.
